ROAD AND EASEMENT NOTATIONS

1) All roads having center lines shown as boundary lines between tracts are private road easements with a right-of-way width of sixty (60.00) feet, except as otherwise shown. Owners of the tracts adjoining said roads own property to the center line of said roads; owner must reserve a thirty (30.00) foot wide strip from the center line of the road easement for the benefit of the land owners in this subdivision and the developer, its successors and assigns, for road purposes. Road easements are non-exclusive, and one to be used in common with the Developer, its successors, and assigns. Developer reserves the right at a future date to dedicate the road easements as public roads or to convey the road easements to third parties for ingress and egress to and from the third parties property.

2) The road easements plotted hereon are to remain private roads for the sole use and benefit of Heritage Ranch property owners and Developer, its successors and assigns, for the purpose of ingress and egress, and for access to utility easements referenced hereon. These private roads HAVE NOT BEEN AND WILL NEVER BE dedicated to public use - the County is not responsible for maintenance of said roads.

3) Solid road easements are hereby dedicated as utility easements; a ten (10.00) foot wide strip of land for utility purposes, is reserved along and parallel to the rear and side property lines of all tracts or lots within the subdivision, and a twenty (20.00) foot wide strip of land along the outside boundary of the 763.11 acre parent tract, for the benefit of the owners of said tracts or lots, their heirs, successors, personal representatives and assigns, for ever, and which easements on every tract or lot may be used for utility service purposes to benefit any or all other tracts or lots and shall include the right of ingress and egress for construction, installation and maintenance, without limitation of all types of utility services and during periods of emergency or of repair, maintenance or construction, such additional widths of easement beyond the stated number above is temporarily granted as may be reasonably necessary to complete repairs, maintenance or construction, or to address an emergency.

4) Blocking the flow of water or construction improvements in drainage areas, and filling or obstruction floodway is prohibited.

5) The existing creeks or drainage channels traversing the subdivision will remain as open channels and will be maintained by the individual owners of the tract or tracts that are traversed by or adjacent to the drainage courses along or across said tract or tracts.

6) The County shall not be responsible for the maintenance and operation of said drainage ways for the control of flooding or erosion.

7) The County shall not be responsible for any damage, personal injury or loss of life or property occasioned by flooding or flood conditions.
